- TELEPHONE / FAX
- FACE-TO-FACE MEETING
- ON SITE – WE COME TO YOU

\*Verbal and written order confirmation provided.

## DELIVERY

Placement of portable sanitation equipment is important for it's serviceability for both your patrons and our service team.

Our friendly staff can help to ensure your site has the correct number of units required to meet Health Department regulations. We can also assist with the logistics of placing each unit to ensure a user friendly experience.

## CLEANING & SERVICES

Canberra Hire can provide servicing staff for the duration of your function or event to ensure a high quality of sanitation is maintained. Servicing of the units (waste removal) can also be scheduled at regular intervals to ensure maximum performance of our units.

## IDEAL FOR:

- Construction sites
- Home renovations
- Music Festivals, Sports
- Community Events
- Emergency situations

# 1

## PORTABLE TOILETS ( INDIVIDUAL UNITS )

- Canberra HIRE toilet units are designed to provide temporary toilet facilities in one compact unit at an affordable price.
- These mobile units are easy to tow and transport making them a great alternative to the larger toilet and shower block we have available.

# 2

## PORTABLE SHOWERS

- Showers provide the perfect compliment for existing or temporary facilities for any occasion, whether for your event or private bathroom renovation.
- A temporary shower facility provides your staff and patrons with the ultimate hygiene solution.
- Showers come with an instant hot water service and gas bottle. If required hoses and extension leads can be supplied.

# 3

## DISABLED PORTABLE TOILETS

- Our portable disabled toilets will ensure all patrons are catered for during your event or construction
- Our units offer wheel chair users enough space to enter the unit and manoeuvre around with ease.
- Hand rails

# 4

## KROS URINALS

- Tried, tested and proven concept used around the world
- Space-saving: 4 urinals in 1
- Can be installed anywhere
- Easy to transport

# 5

## TRAILER MOUNTED UNITS

- For those hard to access areas or out of town functions, our single and double trailer units are the perfect solution.
- You have the added flexibility to pick up and return yourself or have one of our staff deliver to your desired location.
